UF – AWMA Organized the 9th Annual Environmental Engineering Sciences Poster Symposium

Time: April 5, 2007. Place: NEB Atrium, UF Campus

- 22 student poster presentations and 15 judges from local environmental companies. Abstract books were distributed to the students and judges.
- A total of 11 prizes (\$1200) were awarded to the best undergraduate and graduate posters. Golder special prizes were also given to excellent studies of air quality and sustainability, respectively.
- More than 100 students and faculty at UF participated in the symposium.
- This symposium is sponsored by Glick Foundation, NEF AWMA, CH2M HILL, and Golder Associates.

UF – AWMA Organized the April Unified Meeting of EES Student Organizations

Time: April. 18, 2007. Place: NEB 386, University of Florida campus

- 27 students attended the Unified Meeting.
- EES poster competition winners, Lindsey Riemenschneider and Christiana Lee, were invited to give presentations on their award-winning posters.
- Student organizations including AWMA, AWWA, AWRA, and FWEA made their monthly announcement and had elections of officers for the next academic year.
